To: Ohio Society of Fire Service Instructors Membership

From: Dave Belcher, President O.S.F.S.I.
 Jeremy Linn, Vice President O.S.F.S.I.

Re: 2015-2016 Membership

On behalf of the Ohio Society of Fire Service Instructors we are inviting you to join us as we start a new partnership with the Ohio Fire Chiefs' Association. We believe this partnership will prove to enhance our membership, vital communication links, and other benefits to Ohio's fire service instructors!

By enlisting the help of the Ohio Fire Chiefs, we expect our membership to grow and to allow us even greater opportunities for our membership, fire departments, institutions, current, and potential new firefighters that we serve through our training endeavors. Four (4) decades of existence, from our humble beginning in the 1970's to today, we have strived to be a premier organization dedicated to training firefighters, EMS providers and fire / EMS instructors. We have worked hard to be leaders, and the voice heard at local, state, and national levels. Engaging in many different arenas. Producing our instructional development symposium for the past several years / representing Ohio's instructors at Ohio Dept. of Public Safety- Division of EMS "Firefighter - Fire Safety Inspector Training Sub-Committee" / Showcasing "Ohio" at the Fire Department Instructors Conference / providing the "National Fire Academy Experience" through the Ohio Weekend Program for nearly 30 years / Working with all of the major Ohio organizations lobbying on Capitol Hill.

Keeping those thoughts in mind, we hope that you will renew your membership, and encourage a colleague to join us as we work together to enhance and provide high quality programs for our future.

Mission / Vision: The mission of the Ohio Society of Fire Service Instructors is to provide effective continuous leadership and training to fire and emergency services instructors in the State of Ohio. As a Society we are committed to reducing firefighter fatalities and injuries by increasing firefighter safety and awareness through quality education.

Our vision is to be recognized and respected as one of the premier fire and emergency service organizations offering the highest quality or educational excellence to Ohio's fire service.

Your comments and ideas are important to us and we value your opinions. We would welcome your feedback. Any questions you may have, please feel free to drop us a note at: belcher591@yahoo.com or linnj@clarkstate.edu or you may visit www.osfsi.org "officers" tab for a contact in your area.

A very sincere thanks for your interest and support of the Ohio Society of Fire Service Instructors!
